### Fall Announcements

---

- ❖ Annual Meeting – This year's annual meeting will be at 7pm on November 13th, 2016. Topics for this year's annual meeting will include elections for both the Executive Board and Board of Directors, review of the 2017 proposed budget, and an open discussion on the major issues facing the homeowner's association. If anyone is interested in a position on either board please contact a board member for more information.
- ❖ Dues & Collections – 2017 dues notices and account statements are included with this newsletter. The executive board is continuing its efforts to collect delinquent dues and fees in order to bring all properties into good standing. The board has been working diligently over the past year to reach out to the property owners with delinquent accounts and work out terms to resolve those delinquencies. If you are an owner of a home with delinquent dues and have not yet communicated with the new board we strongly encourage you to reach out so we can discuss your specific situation.
- ❖ Dumpster – The board going to reopen the dumpster in the clubhouse parking lot to the residents for excess trash. Failure by anyone to abide by the rules below will result in removal of this privilege.
  - Once the dumpster is full, do not set trash next to it or pile it up over the lids. The lids should fully close at ALL times. The dumpster is emptied early Friday mornings.
  - Do not put the following list of materials in the dumpster: Items containing Freon, Batteries, Paint, Asbestos, Waste Oil, Tires, Large Appliances, Hazardous Waste, and
    - Yard Waste (Free drop off on Saturdays, 11660 N. Main Street, KCMO (NE corner of Northeast Cookingham Drive and North Main Street))
  - Please do not dump trash after dark or before sunrise.
  - If you have a lot of excess trash, please wait until Thursday night to put in as much as you can or break it into multiple weeks. One person completely filling the dumpster Friday morning negates the benefits for the rest of the neighborhood.
- ❖ Communication – The board has a website and email system which are monitored and updated on a regular basis and will continue to be improved. There is also a neighborhood Facebook page which is another great tool to get to know some of your neighbors. The board is also looking at ways to better provide information to those that do not have access to the electronic information. The executive board feels that communication is an important part of the HOA and will continue to build and improve upon the work that has been done.
- ❖ Kansas City 311 – If you haven't already, the board recommends everyone becomes familiar with the City of Kansas City 311 service. 311 is the residents' connection for City services and information. Contact 311 to report a problem, request a service, or ask a question about a city service.

## Homeowners Association Dues

### Dues - General Information

- Yearly dues are \$350.00 and full payment deadline for dues is January 1<sup>st</sup> of each year.
- Payment shall be mailed to the HOA P.O. Box address (see contact information section).
  - Please be sure to include the property address with you payment.
  - Please do not mail payment directly to the accountant. Also the accountant is not able to accept payments in person so please send all payments through the mail.
  - Electronic payments are now being accepted through the HOA website.
- Late fee will be charged starting February 1<sup>st</sup> of each year if payment is not received in full. Late fees are \$15.00 per month and will be added the first day of each month not paid.
- If you are unable to pay by the deadline please contact the HOA Board to discuss the situation and available options.
- The board is now accepting credit or debit card payments made via PayPal to the HOA through our website. There is a fee of \$12.00 in addition to the dues owed to cover the additional cost of providing this service. The board was very pleased with the number of residents that made use of this service over the past year and have decided to continue to offer this as a payment option.

## **Dues - Frequently Asked Questions**

- The property owner is responsible for payment of the dues each year. Dues are not intended to be amenity usage fees but are required for all property owners to allow the HOA to maintain all of the property and amenities which are owned by the HOA and benefit the neighborhood.
  - If a property is being rented it is still the responsibility of the property owner to pay the dues. If the property owner has not paid the dues the tenants will not be able to use the homeowners association's facilities until the payment has been made.
  - If you are unsure of the status of your dues please contact the board.
  - If you required a receipt for payment of your dues please contact the board.
  - If a property is being sold then it is still the responsibility of the property owner on January 1<sup>st</sup> to pay the dues in full for the year. Typically the new buyer will then reimburse the seller a prorated amount to cover the dues for the remainder of the calendar year. These agreements are to be negotiated between the buyer and seller and not between the seller and homeowners association.
  - If there is a lien on the property for delinquent dues and those dues have been paid in full please contact the board so the lien release process can be completed in a timely manner.

## **WELCOME AND THANK YOU TO ALL THE NEW RESIDENTS THAT HAVE CHOSEN TO LIVE AND BE PART OF OUR BEAUTIFUL COMMUNITY HERE AT NEW MARK.**

We encourage residents to review all of the information about our community on our website. Please also contact us through the board email and let us know you are here so we can reach out to welcome you.

Please note that the work that has been done in our community by this board has been done on a volunteer basis. Board members have chosen to take time away from work, family, and many other valuable occasions for the benefit of our community as a whole. With that said, we ask for the homeowners support, appreciation, and in many instances patience.

Remember, board members do not have careers in governing home owners associations. What we do have though, is a team of resident volunteers that make decisions based on what they believe the majority of home owners would want if they were as fully informed as we are in situations. The goals of this board are to maintain and improve the appearance of our community grounds which in turn will help improve the quality of life in our community and maintain or increase the values of our homes. We are willing to assist you with valid concerns and are open to positive, productive, and solution based suggestions for improvement.

Thank you for your time and attention.
