2021 Fall Newsletter

2022 DUES NOTICE

- ❖ **2022 HOA dues are \$425.00, and the payment deadline is January 31st, 2022.**
- ❖ Account balance statements have been included with this newsletter for each property.
- ❖ Per the newly passed amendment, dues have increased in 2022/2023 to \$425 annually and will increase again to \$500 annually for 2024 and beyond.
- ❖ **Anyone with a past due balance after January 30th, 2022, will again accrue a \$15 per month late fee.**
- ❖ See *Homeowners Association Dues* section in the newsletter for more information on dues.

FALL ANNOUNCEMENTS

- ❖ **Annual Meeting** – This year’s annual meeting was held on November 7th, 2021, at the clubhouse. Topics for this year’s annual meeting included elections for open Executive Board and Board of Directors positions, review of the 2022 proposed budget, and an open discussion on the issues facing the homeowner’s association.
- ❖ **Dues & Collections** – Account statements are included with this newsletter. The executive board is continuing its efforts to collect delinquent dues and fees to bring all properties into good standing. If you are an owner of a property with delinquent dues and/or special assessment and have not yet communicated with the board, we strongly encourage you to reach out so we can discuss your specific situation. The board continues to pursue liens and other collection measures for those properties with delinquent accounts.
- ❖ **Dues Payments** – Please allow up to 3 to 4 weeks for payment processing when mailing a dues payment. The dues payment is credited based on the postmark date, so the time to process the payment will not count against the account. The mail is collected from our P.O. box, delivered to the accountant to be recorded, and then taken to the bank for deposit, which is the reason it does take some time for processing. If there is concern about whether a payment has been received please email the board and we can verify the status for you.
- ❖ **Pool** – Final renovation touchups were completed prior to the pool being closed for the season. Northland Pools has notified us that they will NOT be managing any pools next summer so we will be working on a new plan for pool management through the winter. If you have any contacts or suggestions, please come to a monthly meeting, or contact a board member.
- ❖ **Pond** – The board is aware of the many issues with the state of the pond. The last of the working aerators has quit functioning, and the board is planning to look at options this winter for adding one or two new aerators depending on the cost and budget. The board continues to work with Blue Valley Laboratories on the chemical treatments of the ponding. The biggest and most challenging issue continues to be the build-up of sediment in the pond. Estimates to address this in the past have indicated a very high cost, to which the board continues to look for a solution.
- ❖ **Club House** – The club house continues to be available for rentals. The rental rate is \$50 and is first-come, first-serve for reservations. Please send an email to clubhouse@newmarkhoa.org for more information or to make a reservation.
- ❖ **Tree clean up** – Just a reminder to please take time to clean up the tree debris (including leaves and the wonderful “gumballs”) around and along the curb of your property. Debris that is not cleaned up can clog the storm water drains or end up in the pond. The city provides a free disposal area for yard debris and branches at Cookingham and N. Main Street, which is free to use on Saturdays.

- ❖ **Kansas City 311** – If you haven't already, the board recommends everyone becomes familiar with the City of Kansas City 311 service. Contact 311 to report a problem, request a service, or ask a question about a city service. www.kcmo.org/311 Dial 311 or 816-513-1313
- ❖ **Board Meeting** – The board encourages anyone who has not attended a board meeting to stop by during a meeting on the second Sunday of each month (changes are posted on the Facebook page and website calendar). The meeting is a good opportunity to get updates on what is going on in our neighborhood, and an open forum is held during each meeting for any resident to bring questions or other topics to the board for discussion. We enjoy meeting with our neighbors and your input is always appreciated.
- ❖ **Communication** – The board has a website and email system which are monitored and updated on a regular basis and will continue to be improved. There is also a neighborhood Facebook page which is another great tool to get to know some of your neighbors. The executive board feels that communication is an important part of the HOA and will continue to build and improve upon the work that has been done. Please note that all the board members are volunteers doing this work in their spare time, so while every effort is made to respond to communications as soon as possible, sometimes it may take longer for a response.

Homeowners Association Dues

Dues - General Information

- Yearly dues are \$425.00 and full payment deadline for dues is February 1st of each year.
- Payment shall be mailed to the HOA P.O. Box address (see contact information section).
 - Please be sure to include the property address with your payment.
- Late fees will be charged if payment is not received in full. Late fees are \$15.00 per month and will be added the first day of each month not paid.
- If you are unable to pay by the deadline, please contact the HOA Executive Board to discuss the situation and available options.
- The board will accept credit or debit card payments made via PayPal to the HOA through our website. There is an additional fee on Paypal payments to cover the additional cost of providing this service.

Dues - Frequently Asked Questions

- The property owner is responsible for payment of the dues each year. Dues are not intended to be amenity usage fees but are required for all property owners to allow the HOA to maintain all the property and amenities which are owned by the HOA and benefit the neighborhood.
 - If a property is being rented it is still the responsibility of the property owner to pay the dues. If the property owner has not paid the dues the tenants will not be able to use the homeowner's association facilities until the payment has been made.
 - If you are unsure of the status of your dues, please contact the board.
 - If you require a receipt for payment of your dues, please contact the board.
 - If a property is being sold, then it is still the responsibility of the property owner on February 1st to pay the dues in full for the year. Typically, the new buyer will then reimburse the seller a prorated amount to cover the dues for the remainder of the calendar year. These agreements are to be negotiated between the buyer and seller and not between the seller and homeowner's association.
 - If there is a lien on the property for delinquent dues and those dues have been paid in full, please contact the board so the lien release process can be completed in a timely manner.

WELCOME AND THANK YOU TO ALL THE NEW RESIDENTS THAT HAVE CHOSEN TO LIVE AND BE PART OF OUR BEAUTIFUL COMMUNITY HERE AT NEW MARK.

We encourage residents to review all of the information about our community on our website. Please also contact us through the board email and let us know you are here so we can reach out to welcome you.

If you have not attended a board meeting, we encourage everyone to try and make it out a least once or twice a year. These meetings provide valuable updates on the status of the HOA and input from residents is also welcome during each meeting.

Please note that the work that has been done in our community by this board has been done on a volunteer basis. Board members have chosen to take time away from work, family, and many other valuable occasions for the benefit of our community. With that said, we ask for the homeowner's support, appreciation, and in many instances patience.

Remember, board members do not have careers in governing homeowner's associations. What we do have though, is a team of resident volunteers that make decisions based on what they believe the majority of homeowners would want if they were as fully informed as we are in situations. The goals of this board are to maintain and improve the appearance of our community grounds which in turn will help improve the quality of life in our community and maintain or increase the values of our homes. We are willing to assist you with valid concerns and are open to positive, productive, and solution-based suggestions for improvement.

Thank you for your time and attention!
